Thanks Mike. You can let them know about our informal availability session to encourage access agreements. Also you can tell them I am sending the draft CIP to you later today. Rebecca and Libby have both reviewed it and had minor comments so hopefully that will be the case with the rest of the team. I will also send to Jeni Flatow. I will want edits/comments by Monday so it can be a final draft by June 30th. I will send a draft public notice tomorrow since we told the IG we'd have a public comment period on it.

Subject: I'm having a call with Bill and Stan

Hi All,

I'm having a call with Bill and Stan tomorrow. We will be discussing:
Shaun's visit. (Last call, AM and CFAC)
OU5
OU6
Construction Update (Numbers and Shrinking # refusals)
My visit with DEQ on IC's and homeowners actions.
Anything for OU3 Christina?
Jennifer any CIC updates?
Or anything else you would like me to bring up?

Mike
